

## Notification of Plan Changes to the Business Value 120 Plan

When launching rates for our customers we endeavour to provide value for money, keeping your business costs as low as possible, however sometimes due to rising costs we have no alternative but to make changes to some of our plans.

Please find below plan inclusions for the Business Value 120 Plan effective from the 11/12/2011.

This plan still represents exceptional value, however, should this plan no longer be suitable please feel free to contact our customer service team to discuss other options.
