

ISDN Flexi pay 10

ISDN Pay as You Go

Benefits of ISDN:

- Multiple phone numbers
- Each service has the ability to independently use separate lines for voice and data calls.
- Faster call dialing and connection/disconnection enabling your business to run seamlessly.
- Direct dial to extensions within your office using Indial, eliminating the need for a switchboard.
- Significant cost savings as multiple services can be delivered down a single copper pair of wires.
- Allows Data calls to be forwarded as well as Voice calls.
